

## **RSS Feed For HFS Website**

There is a way to get notifications when we update our website. You can subscribe to the site's RSS feed.

At the bottom of every website section is an icon  to subscribe to an RSS feed for that section. You will need to subscribe to as many sections as you want to get updates from on the website. If there is no RSS feed icon at the bottom of the page, then that page belongs to a larger section that you can subscribe to.

For more information on how RSS feeds work, please visit:
