**GIRL SCOUT TROOP 4191**

**APRIL 1-11, 2019 | 8 AM TO 3 PM**

**DROP BOXES ARE SET UP AT SCHOOL**

We will be collecting clothes for the Good Shepherd Shelter. Good Shepherd Shelter aims to provide a safe, secure and stable place for women and children displaced by domestic violence.

At Good Shepherd, each family receives an apartment where they can be safe and learn to live without violence. Mothers practice being single mothers, receive job training, parenting classes, and lessons in first aid.

Children sometimes fall behind academically because of the abuse they have experienced and attending school at Good Shepherd allows them to catch up.

When abused women and children flee their dangerous homes, they often have to leave everything behind or take just a few necessary things.

Our troop is collecting clothing for the children living at Good Shepherd so we can help them get back to a normal life and experience generosity and kindness. We will be receiving new and gently used clothes for Boys and Girls Ages 4 and Up.
