

HOLY FAMILY CHURCH & SCHOOL

# 2016-2018 ANNUAL REPORT

*Serving in Love*

## MISSION STATEMENT & PHILOSOPHY

### CHURCH MISSION STATEMENT

Holy Family Church is a welcoming, Catholic Eucharistic community of disciples of Jesus Christ connecting faith with life and reaching out to those in need.

### SCHOOL MISSION STATEMENT

The mission of Holy Family School is to instill Christian values and Catholic principles in students through the Gospel message of Jesus. We foster and nurture the development of the whole child and strive to achieve educational excellence. We are guided in faith and principle by our Schoolwide Learning Expectations, and we work toward enabling our students to grow and be successful in attaining them.

Whoever you are, whatever age or stage of life you are in, whether you are a Catholic or not, practicing or not, we welcome you here at Holy Family Church. All are welcome!

### SCHOOL PHILOSOPHY

Holy Family students are nourished by liturgical and sacramental life in the environment of a faith community where service, respect and concern for others are demonstrated. In striving for academic excellence, we at Holy Family School take individual needs into account. Our students are encouraged to be self-directed. In addition, good citizenship, physical well-being, Catholic doctrine and tradition are integrated into the curriculum.

Mindful that parents are the prime educators, we at Holy Family School support and encourage parental responsibility in helping students to become involved Christians. Our purpose is to develop the Catholic faith in the present generation of children, and, through them, to touch future generations. The development of the whole child is the essence of our teaching mission at Holy Family School.

Integrating a love of learning with Catholic beliefs and values that are centered in the Spirit, our students are instilled with a vision of hope.

## A MESSAGE FROM OUR PARISH LIFE DIRECTOR

Dear Holy Family Parishioners and Parents,

Counting yourself as a Holy Family parishioner is a blessing and a gift. Perhaps you've been coming here since you were a very young child, or maybe your first visit was just this year. Perhaps your presence here is only on Sundays, or, perhaps you are here almost every day giving of your time at the Pastoral Center or dropping your children off at Holy Family School. Whichever it is, Holy Family is in that rare and fortunate position to take on the future, not only because of the extraordinary generosity of our parishioners, parents, and friends, but because we are a church with a school, intertwined together for generations amongst the ever-present image of God as our beacon of light and hope, found daily within our beloved Church.

With God as our guide, and you, parishioners, parents and friends, by our side, Holy Family is able to successfully administer life-giving goods and services to our community, faith formation and education to our children and young adults, and lift up the hearts and minds of each person, one by one, at daily and Sunday mass.

Because of your extraordinary generosity in support of Holy Family Church, her ministries, and her School, much has been accomplished over the past year! In the pages ahead, you will read about just some of the success stories that Holy Family was graced with over the last two years. As Children of God who are each made in God's image ("Imago Dei") we are called to share our gifts and blessings with others so that we may all be lifted up in God's glory. You make a difference in sustaining our parish and school by giving life to our good works. Your generosity provides a dependable source of funding for the Church and School, and enables us to efficiently plan for our actions as a Faith Community for the coming year.

In addition, the fruits of your generosity allow us to help struggling families, ignite and educate more catechists, and bring the message of hope from Jesus Christ to those we serve. When we actively minister to our brothers and sisters together, we build our faith community and, in turn, discover God's will for each of us. We are all gifted with God's grace and love, and in returning those gifts, we lift up the Kingdom of God. Thank you for sharing your light with Holy Family and with those in need.

Blessings in Christ,

Cambria Tortorelli  
Parish Life Director

## A MESSAGE FROM OUR PRESIDENT

Dear Holy Family Parents and Friends,

On behalf of the Holy Family School Board, I am pleased to share with you our Annual Report. Holy Family School continues to thrive and grow through the generous support of many who are committed to the success of every student. Our parents, teachers, parishioners, friends and families have generously contributed their time, talent and resources to make Holy Family a rich academic environment grounded in our Catholic faith and tradition.

We are first and foremost a community of Catholic believers instilling in our students a commitment to living out our values, lifelong faith formation and service work. Service learning is integrated into our curriculum, building a deeper understanding of our faith and the importance of our daily actions as witnesses of Christ. This grounding in our faith is coupled with academic excellence, challenging our students to be lifelong learners and to fulfill their potential. We see the impact of our efforts in the incredible success our students realize at the high school and college levels.

This success would not be possible without the ongoing dedication of our families and friends. The Parent Guild fundraisers, combined with our annual Legacy of Learning campaign, are vital to sustaining the excellent programs offered. We also remain committed to providing an education that is accessible to all members of the parish community, supporting fund development efforts to help meet the financial aid needs for qualifying families.

We are so blessed to have a dedicated faculty and staff who have embraced as their mission the Catholic education of our youth. Over this past year, our Principal, Dr. Montejano, has worked with the faculty to seek out and provide professional development opportunities and technology advancements that will strengthen our faculty's capacity as educators and continuous to improve our Holy Family education. I want to recognize and thank the ongoing and tireless commitment of the School Board. Our School Board volunteer leaders devote their time and talent to help make Holy Family the uniquely special place that it is. Guided by the Strategic Plan, the School Board provides guidance and leadership to develop policies that will further enhance our School's Catholic environment, culture, and academic excellence.

Thank you for supporting and believing in the mission of Holy Family School. I am proud and honored to serve the Holy Family School community and, with your dedication, help continue and demonstrate the value of a Catholic education.

With blessings and thanks,  
Christina Altmayer  
Holy Family School Board President

## A MESSAGE FROM OUR PRINCIPAL

Dear Holy Family Community,

On behalf of our school staff, I am happy to share with you our annual report for the 2016-2017 school year. Each year, as we continue to provide a quality Catholic education to our school families, we are grateful for all the support we receive. We are able to do this through the collective efforts of our school families, staff (school and parish), parishioners and benefactors. So many people willingly share their time, talent and treasure in support of our school, allowing us to grow and expand our programs and services from year to year.

In the recent past we have added to our school program in significant ways: our Outdoor Learning Center (OLC) gives the children of our school and parish a wonderful space to play and explore; our security upgrades have made our campus even safer; upgrades in technology, including new state of the art ActiveBoards, allow us to provide our students with a cutting edge educational experience; and staff additions have rounded out our program, giving our students an education that addresses the whole child.

At our core, we exist to pass on the faith to our students, and to help them become true Disciples of Christ. I am happy to report that we do this in many ways, including prayer, worship and service to the community and beyond. More than just learning about our faith, our goal is to transform lives so that our students' spiritual development compels them to stand in solidarity with their brothers and sisters in the world. Additionally, we exist to provide a solid academic foundation that will serve our students as they move on to high school and college. I am pleased to note that each year our graduates attend some of the very best high schools in the area. That is a real credit to the quality of our teaching and support staff.

We look forward to continued growth and the strengthening of our school program. Thanks to the commitment and support of so many, I am confident that we will have much to celebrate in the years ahead!

Sincerely in Christ,  
Frank Montejano, Ed.D.  
Holy Family School Principal

## WELCOME VICE PRINCIPAL ANNE REGAN-SMITH

In August 2017, Holy Family School welcomed Anne Regan-Smith as Vice Principal. Anne comes to us with several years of experience as an administrator in Catholic schools. Anne most recently served as the Vice Principal for Assumption of the Blessed Virgin Mary School in Pasadena. Anne has previously served at All Souls, Incarnation, and St. Charles Borromeo. She received her B.A. at the University of San Diego, and has two Masters degrees from the University of Seattle. We are thrilled to welcome Anne to Holy Family School!

## PASTORAL COUNCIL CHAIR

Dear Parish Family,

I am pleased to present the Holy Family Church and School Annual Report. This report celebrates the vitality of our parish and reflects the many ways that our Lord has blessed us. The report outlines, in general terms, our revenues and expenses, and will educate you about recent improvements and productivity here at Holy Family. I invite you to take a few minutes to read about the wonderful things our parish has accomplished and the opportunities made available for our spiritual growth.

God has been extremely good to our parish! We are a parish comprised of thousands of generous people like you who give freely of their time and talent, living out your Catholic faith in prayer, education, service and charity, and dedicating countless hours of service to over 80 ministries. Likewise, we are grateful to you for helping to support the mission of our parish with financial contributions. All of these gifts are truly appreciated!

However, we need your continued help to support our ongoing needs. Your commitment of time and resources is of vital importance. I pray that we will continue to take seriously our responsibility to give sacrificially and regularly, so we can continue to be a vibrant and dynamic parish community. I give my heartfelt thanks to all of you for participating in our spiritual life and parish mission to extend the mercy of God.

Thank you very much for your generosity and prayers, and for your open hearts and willing hands. May God's abundant blessings be always upon you and your loved ones.

Sincerely in Christ,  
Tina Tran  
Holy Family Pastoral Council Chair

## PARENT GUILD PRESIDENT

Dear Holy Family Parents and Friends,

It has been an honor to serve as President of the Parent Guild at Holy Family School and work with so many dedicated people who want the best for our children. The 2016-2017 school year was a year of embracing small positive changes within our school community: a new vice principal, new teachers, new procedures, and new activities.

All of these changes have been embraced within our wonderful Holy Family School community with vigor and grace. Working together as a community in faith, we will continue to change and grow moving forward.

The Parent Guild continues to support faculty, staff, and community through both time and resource contributions, allowing us to directly affect our children's educational experience. Members of the Guild have worked to consolidate and update all Parent Guild related information in an effort to streamline procedures and make access easy for transitions. We have made improvements to the communication systems for the community regarding school activities, which will continue to evolve as we move forward. We have and will continue to look for opportunities to strengthen our children's spiritual growth through service learning opportunities and the introduction of guest speakers and the Christian Service Leadership Awards. These, along with many other changes, have provided a more streamlined environment for our community. We will continue to look for efficiencies to help families in this increasingly fast-paced and demanding world.

Thank you to the numerous parents who work tirelessly to ensure that the programs and activities offered at our school run smoothly and efficiently. Thank you to the staff members who continue to watch over our children and keep them safe and healthy on a daily basis. Thank you to the amazing teachers at Holy Family School who educate, guide, and mold our children to become the most productive adults they can be. Most of all, thank you to the incredible community in which our children reside. The support, love, and kindness demonstrated daily is what makes Holy Family School and Parish special and a gift to us all.

In Gratitude,  
Marcy Ulrich  
Holy Family School Parent Guild President

# HOLY FAMILY ANNUAL PARISH AUCTION

Carnevale 2017 and Great Gatsby 2018, the annual Parish Auctions, were beautiful evenings of revelry and fun-raising for the Holy Family community. The Auction is Holy Family's signature event that helps sustain our ministry outreach and programming for families, children and the less-fortunate. Each year, the event is organized and executed by an enthusiastic group of committed volunteers, who join together to ensure this event is a great success. In 2017, we honored long-time Auction volunteers and donors, Bettie and Jim Byer, Maureen and Dennis Diekmann, Valerie and Paul McAndrews and Carol Pickle and Kevin Slattery. Together, they have donated thousands of hours and 100 years of combined service to the Auction since its inception in 1991. As well, 2018's Auction was one of the most dazzling and successful auctions ever, with guests donning vibrant 1920's garb and dancing into the wee hours. We continue to be grateful to all of our patrons, donors, advertisers, guests and countless volunteers who help make this event possible.

# HOLY FAMILY ANNUAL PARISH AUCTION

## PADDLE RAISE

In 2017, the Auction's "Paddle Raise" raised over \$40,000 to renew the 20-year old classrooms within the Education Center, which serves over 300 daily parochial school children, 150 Religious Education students and ever-expanding summer and after-school programs. The generous funding of past auctions enabled Holy Family to update all the Education Center classrooms with fresh paint, brand-new flooring and interactive ActiveBoards. Renovating and refreshing the existing Education Center have enabled the building to meet and sustain the increasing demands made upon educators in this ever-changing environmental and technological world. In 2018 the Paddle Raise secured important funds towards plans for the Rectory relandscaping project. The success of the Paddle Raise each year ensures that Holy Family has the necessary resources to make important improvements all around the campus. Thank you to all of our supporters!

## CONNOLLY GOLF CLASSIC

The 3rd Annual Holy Family Connolly Golf Classic was a sellout and huge success! Golfers of all skill levels enjoyed a great day on the links in support of the Holy Family School Scholarship Program and Outdoor Learning Center.

At the Lunch BBQ we all enjoyed good food and fellowship as we honored our 1st & 2nd place golf winners as well as our "Monsignor Connolly Award for Honesty and Integrity" recipients for achieving the highest score.

A special thank you to all our sponsors, players, volunteers and Golf Committee members for making our 3rd Annual Golf Classic our most successful to date. We also want to thank our Premier Sponsor, The Danni Family, for their generosity and commitment to Holy Family.

*The Tournament would not be possible without our dedicated committee:*

## HOLY FAMILY FAIR

The Holy Family Fair is always a fun-filled weekend for Holy Family parishioners. Rides, games, fabulous food and drink, Bingo and lots of football, were all available as parishioners came together to celebrate our community of faith. All proceeds, including those from the Raffle, help support Holy Family's many ministries and outreach programs. We sincerely thank the Fair Chairs and the many volunteers who helped make this year's Fair a success!

# CHURCH AND SCHOOL: WAYS TO SUPPORT

***“FOR WHERE YOUR TREASURE IS, THERE ALSO WILL YOUR HEART BE.” LUKE 12:34***

Giving happens all year long and is a deeply personal and a sincere expression of authentic discipleship. As disciples of Jesus Christ, we are called to a spirit of generosity to the extent that we are able. As grateful stewards, we realize that all we are and all we have are gifts...and with blessings come responsibility. We share a common belief that we should return to the Lord a generous portion of what God has given to us.

## VOLUNTEERING

God has blessed each of us with gifts and talents to make a unique contribution to the Church and School. Each of us has the privilege of getting involved and participating, rather than watching from the sidelines. Consider the gift of time to Holy Family, whether as a volunteer at hot lunch or in the classroom, a Eucharistic Minister, a member of the choir or a volunteer at the Giving Bank.

**Church Contact:** Mary Schimmoller, Director of Volunteers, (626) 403-6113 or [mschimmoller@holyfamily.org](mailto:mschimmoller@holyfamily.org)

**School Contact:** Please call the school office at (626) 799-4354

## MATERIAL DONATIONS

Throughout the year, Holy Family Church and School sponsor special drives for specific ministries, requesting items such as food, clothing, toiletries, etc., and welcome your regular donations. We greatly appreciate these material donations which are quickly distributed to needy individuals and families. Thank you for your generosity.

For more information, please contact Marlene Moore, Director of Community Services at (626) 403-6141 or [marlenemoore@holyfamily.org](mailto:marlenemoore@holyfamily.org).

## FINANCIAL SUPPORT

Your financial support of Holy Family Church and School ensures that our mission to educate our youth and minister to the needs of our community are carried out with strength and consistency. Holy Family Church and School encourages regular annual giving through the Church's annual appeal on Discipleship Sunday and Holy Family School's Legacy of Learning campaign each fall. We are grateful for your support, financial or otherwise, and will gratefully receive your gifts in a variety of ways.

### ONLINE GIVING

Online Giving is the quickest and most convenient way to donate anytime, anywhere. Click the blue "Online Giving" button on the Church or School website and a donation page will appear that will guide you through the process. You can make a one-time gift or enroll in weekly or monthly automatic giving using your checking, savings, or credit

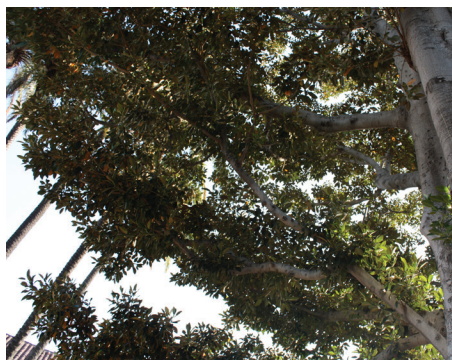

card account. All the information is secure and handled through Vanco, a secure donor-managed payment provider.

### BENEFITS OF AUTOMATIC AND ONLINE GIVING:

- Easy and convenient, no envelopes, no checks to write or lose
- Regular, consistent giving that is safe, secure and confidential
- No charge to donor
- Easy and instant changes to account or amount at any time

### CHURCH OFFERING ENVELOPES

Registered parishioners receive a packet of offering envelopes each month along with a communication about a parish ministry, program or activity. The use of offering envelopes is a "win-win" situation. It enables our staff to more effectively manage parish financial resources and offers you the benefit of an accurate record of your annual giving.

# CHURCH AND SCHOOL: WAYS TO SUPPORT

## MATCHING GIFTS AND VOLUNTEER INCENTIVE PROGRAMS

A “matching gift” is another “win-win” for Holy Family Church and School. Many businesses and organizations will “match” a gift made by an employee to a non-profit organization. In addition, many businesses have volunteer incentive programs for their employees. Volunteer incentive programs at many companies recognize employees’ contributions of time and talent to nonprofit organizations. Employees are eligible to apply for a grant on behalf of the qualified organization where they volunteer 50 hours or more during the year. We encourage you to check with your employer today to see if your contributions to Holy Family Church or School are eligible for your company to make a matching gift or if there is a volunteer incentive program.

## PLANNED AND ENDOWED GIVING

### PLANNED GIVING

Including Holy Family Church and School in your estate planning is one of the most meaningful ways you can support our community. All are welcome and encouraged to participate in making a long-lasting, vital commitment to the church, its buildings and multiple ministries. There are many opportunities to share your future financial resources with Holy Family Church or School while maintaining your lifestyle now, and lowering your tax-burden. You can give a gift of stocks, bonds or real estate; you can include Holy Family Church or School as a

beneficiary in your will or trust, gift annuities, insurance policy, or IRA. Giving to the future of our parish and school assures that the vitality of Holy Family will continue long into the 21st century. For guidance about how to include Holy Family in your financial and estate planning, advice from your financial and legal advisors is essential. The leadership of Holy Family welcomes your inquiry and will be happy to assist you in creating a giving plan according to your wishes.

### HOLY FAMILY CHURCH ENDOWMENT FUNDS

Holy Family Church established two endowment trust funds in March 2001. The first one is the Parish Endowment Trust Fund and its purpose is “...solely to perpetuate, support, and uphold the work of Holy Family Parish, South Pasadena.” Through generous donations from the people and friends of Holy Family, we are able to support our many ministries. This fund will also enable Holy Family to care for and safeguard its historic church building.

The second fund is the Education Endowment Trust Fund. Its purpose is “...solely to perpetuate, support, and uphold the work of Holy Family School, the Religious Education Program and additional educational programs for children.” This fund will assure the continued education and religious formation of our children and teens.

By supporting one or both of these funds, you are ensuring that the legacy of our vibrant faith-filled parish will continue to be enjoyed by future generations.
