# 2018-2019 ANNUAL REPORT

*Serving in Love*

# MISSION STATEMENT & PHILOSOPHY

## CHURCH MISSION STATEMENT

Holy Family Church is a welcoming, Catholic Eucharistic community of disciples of Jesus Christ connecting faith with life and reaching out to those in need.

## SCHOOL MISSION STATEMENT

The mission of Holy Family School is to instill Christian values and Catholic principles in students through the Gospel message of Jesus. We foster and nurture the development of the whole child and strive to achieve educational excellence. We are guided in faith and principle by our Schoolwide Learning Expectations, and we work toward enabling our students to grow and be successful in attaining them.

## SCHOOL PHILOSOPHY

Holy Family students are nourished by liturgical and sacramental life in the environment of a faith community where service, respect and concern for others are demonstrated. In striving for academic excellence, we at Holy Family School take individual needs into account. Our students are encouraged to be self-directed. In addition, good citizenship, physical well-being, Catholic doctrine and tradition are integrated into the curriculum.

Mindful that parents are the prime educators, we at Holy Family School support and encourage parental responsibility in helping students to become involved Christians. Our purpose is to develop the Catholic faith in the present generation of children, and through them, to touch future generations. The development of the whole child is the essence of our teaching mission at Holy Family School.

Integrating a love of learning with Catholic beliefs and values that are centered in the Spirit, our students are instilled with a vision of hope.

# A MESSAGE FROM OUR PARISH LIFE DIRECTOR

Dear Holy Family Parishioners and Friends,

Holy Family continues to be a place where our visions of how we live the Gospel become reality.

This Annual Report is a testament to how we, as the People of God (priests, parish staff, school faculty and staff, parish leadership and parishioners), have lived out the Gospel of Jesus Christ in our time and place. As you look through the pages of our Annual Report, you will see that our parish and school community has accomplished a myriad of good works in deepening faith, proclaiming hope and serving in love, the cornerstones of our current Pastoral Plan.

Without your support, your time, talent and treasure, which you so generously invest in our parish community, our Annual Report would not be the vibrant testimony of the richness of our community.

Please accept my profound gratitude for everything you have done to ensure that each of our ministries continues to strengthen the Body of Christ. Your commitment of faith and your financial support have made it possible for us to remain a welcoming, dynamic and flourishing parish with a school.

May God continue to bless you always and in all ways,

Cambria Tortorelli  
Parish Life Director

*"Holy Family has long had a deep commitment to being radically welcoming to each and every person whom we encounter, for each and every person is a Child of God made in God's image and likeness. Each of us as an individual is called to be a disciple of Jesus Christ and to allow the Holy Spirit to guide and lead us. This is Holy Family." - Cambria Tortorelli, Parish Life Director*

## A MESSAGE FROM OUR SCHOOL BOARD PRESIDENT

Dear Holy Family Parents and Friends,

On behalf of the Holy Family School Board, I am pleased to share with you our 2018-19 Annual Report. Holy Family School continues to thrive and grow through the generous support of many who are committed to the success of every student. Our parents, teachers, parishioners, friends and families have generously contributed their time, talent and resources to make Holy Family a rich academic environment grounded in our Catholic faith and tradition. The 2019 school year will be an exciting time as we welcome our new Holy Family School Principal, Mrs. Darcie Girmus. Mrs. Girmus joins us with an extensive background in Catholic education as a teacher and principal, and we are so grateful for her leadership.

Holy Family is first and foremost a community of Catholic believers instilling in our students a commitment to living out our values, lifelong faith formation and service work. Service learning is integrated into our curriculum, building a deeper understanding of our faith and the importance of our daily actions as witnesses of Christ. This grounding in our faith is coupled with academic excellence, challenging our students to be lifelong learners and to fulfill their potential. Our Holy Family graduates are making their mark at the high school and college levels, performing at the top schools locally and nationally.

Our collective success would not be possible without the ongoing dedication of our families, friends and alumni. The Parent Guild fundraisers, combined with our annual Legacy of Learning campaign, are vital to sustaining the excellent programs offered. We also remain committed to providing an education that is accessible to all members of the parish community, supporting fund development efforts to help bridge the gap through financial aid for qualifying families.

We are so blessed to have a dedicated faculty and staff who have embraced as their mission Catholic education of our youth. We are committed to continuously supporting their growth and development and improving Holy Family's educational programs. Finally, I want to recognize and thank the ongoing and tireless commitment of the School Board. Our School Board volunteer leaders devote their time and talent to help make Holy Family the uniquely special place that it is. Guided by the Strategic Plan, the School Board provides guidance and leadership to develop policies that will further enhance our school's Catholic environment, culture, and academic excellence.

Thank you for supporting and believing in the mission of Holy Family School. I am proud and honored to serve the Holy Family School community and, with your dedication, help continue and demonstrate the value of high quality Catholic education.

With blessings and thanks,  
Christina Altmayer  
Holy Family School Board President

## PASTORAL COUNCIL CHAIR

Dear Holy Family Parishioners,

We are pleased to present the Annual Report for the 2018-2019 Fiscal Year for Holy Family Church and Holy Family School. The Annual Report provides a summary of the contributions and gifts received from parishioners and parents, annual expenses, and funds set aside for ongoing and future projects at Holy Family. The report will provide you with a snapshot of how the funds that you have given to Holy Family have been used throughout the year and which major projects have been completed during this year. I invite you to take a few minutes to review this report that summarizes the fiscal status of our parish. It gives you an opportunity to understand our annual expenses, major gifts, and ongoing commitments. It also provides you with the information that you need to understand the impact of your contributions and service to the parish.

Ultimately, your contributions of time, talent, and money are used to maintain and build up this loving parish community where we model Christ's teaching to care for and to serve one another. The staff and volunteers at Holy Family spend countless hours working with the children in our school, adults and children in the religious education programs offered at Holy Family, in the many ministries (90 plus), and with homebound parishioners each week. Our parish is made up of thousands of generous parishioners, supporters, and volunteers who work to carry out our shared goals of "faith, hope, and love" in all the services offered within the parish and to the community at large.

We at Holy Family have been blessed with your generous gifts that have allowed us to live out our Catholic faith through our charitable works, our common prayer, and to show the most important moments of our lives as this vibrant parish. Each of these gifts, no matter what the size, has made it possible for us to carry out our mission. The few families who began Holy Family have passed on to us in generosity the parish that stands today as the place where we continue to celebrate as one family of faith.

For the important work of meeting the needs of this dynamic parish community, we need your continued financial and sacrificial support. When each of us makes a faithful and heartfelt commitment of funds, time, and talents, we pass on to others a small measure of the many blessings that have come our way. Your consistent giving allows us to cover our monthly expenses, make repairs, and to pass this precious gift of Holy Family down to future generations.

Thank you for your generosity and prayers, for your open hearts, and for your willing hands. May God's abundant blessings be always upon you and your loved ones.

Thankful for Your Generosity,  
Maxine E. Liggins  
Chair, Pastoral Council

## A MESSAGE FROM OUR VICE PRINCIPAL

Dear Holy Family Parents & Friends,

It has been a pleasure to work with the students, teachers and parents of Holy Family School in the capacity of Interim Principal over the 2018-19 school year. I want to thank everyone for their love, support and hard work during this wonderful year. I look forward to being here again during the 2019-20 school year as Vice-Principal and to continue working together with the school community.

I am proud to share that this past year we were awarded a full six-year WASC/WCEA accreditation through June 30, 2025. The Western Association of Schools and Colleges (WASC) and the Western Catholic Educational Association (WCEA) evaluated our school throughout the year and found that we are providing a quality Catholic education to our students. I want to thank all teachers, staff, Parish Life Director, clergy, parents, board members, donors, clergy and students for their contributions to the success of the WASC process. The Visiting Committee observed Holy Family School to be a vibrant, faith-filled learning community in which the students, faculty, staff and parents view each other as family and work together in partnership.

I would like to especially congratulate the class of 2019. Thanks to the love, care and investment of our dedicated faculty, staff, parents, administrators and donors, our graduates are prepared to embark on a new journey. Our graduates will proudly be attending Alverno Heights Academy, Flintridge Sacred Heart Academy, Loyola High School, Mayfield Senior School, Ramona Convent Secondary School, South Pasadena High School, St. Francis High School and Westridge School for Girls.

It was nice to have a vibrant campus this summer, offering our first year of Galileo Summer Camp. Seeing Holy Family students welcome students from the neighborhood and from other schools, as well as from our sister parish, Our Lady of Guadalupe, is a tribute to the spirit we share here at Holy Family. The Galileo staff was impressed by our "All are Welcome" motto and they will go and spread the good news about our school and parish.

On July 1, 2019, we welcomed Mrs. Girmus as our new principal and look forward to an exciting new chapter for Holy Family School. Let us all rejoice and thank God for his guidance over the past year.

Sincerely,  
Anne Regan-Smith  
Vice-Principal

## HOLY FAMILY SCHOOL IS PROUD TO ANNOUNCE NEW PRINCIPAL!

After a nine-month search, we are delighted to introduce Darcie Girmus as our new Principal for the upcoming school year 2019.

Darcie comes to Holy Family with over 32 years of experience as an educator: 16 years in Catholic education and 6 years as Principal. She has a Masters of Arts in Catholic School Leadership and a Masters of Arts in Curriculum and Instruction. For the past 6 years, Darcie has served as the Principal of St. Mark Catholic School in Vienna, Virginia, where she also worked as Assistant Principal and Teacher. Darcie's development of a program of academic excellence at St. Mark's and her passion for serving children and working with teachers and parents make her a perfect fit for our community. Her commitment to strong leadership, quality instruction and devotion to her faith will serve her well here at Holy Family School.

Our job to find a new principal began in May 2018. We launched the process with a series of stakeholder meetings with faculty, staff, and parents to identify the priorities for the new principal. The ideal candidate should be an educational leader, a spiritual leader and an effective communicator with the entire community. Working collaboratively with the Archdiocese of Los Angeles, the Search Committee reviewed over 30 resumes, participated in over 70 interview hours by phone and in person with a dozen candidates, and hosted our finalist for a 2 ½ day on-campus visit.

We are deeply grateful to our Search Committee for their dedication and hard work, and especially to Mimi Butler, our Chair, and Michelle Bonoan, who took on the task of conducting the preliminary phone interviews.

# AUCTION

## HOLY FAMILY AUCTION 2019 – A NIGHT IN NASHVILLE

May 2019 saw the transformation of our beloved Holy Family parking lot into a toe-tappin', boot-scootin' good time venue, made complete with authentic Southern-style BBQ, old-fashioned corn-hole, and the Tennessee sounds of Annie Bosko and her band, who flew in from the heart of Dixie to keep us dancing 'til midnight. We thank our Auction Chairs who meticulously planned for many months to prepare an unbelievable night of memories and camaraderie. After an unforgettable Live Auction and Paddle Raise, Holy Family showed, once again, that it knows how to have a good time! We hope y'all come back again next year!

## 2019 PADDLE RAISE

### CUTTING EDGE E-LIBRARY AND SUMMER SCHOOL SCHOLARSHIPS

This year, Holy Family raised funds to implement a cutting-edge “e-library” that will be a shared resource with Our Lady of Guadalupe and Dolores Mission Schools, impacting hundreds of children in our greater community. Access to books remains at the core of a child’s education and the single most significant factor influencing a child’s early educational success. According to the US Department of Education, children who are read to at least three times a week are almost twice as likely to score in the top 25% on academic testing compared to children who read less than 3 times a week. However, 60% of low-income students are still growing up without books in their home.

In an effort to keep libraries current, we are now able to create a steady stream of new, age-appropriate books, which has been shown to nearly triple a student’s interest in reading. Incorporating an e-library not only allows us to add hundreds of new titles and databases on our own campus, but also share these unlimited book titles digitally with our sister-schools at no additional cost beyond the initial equipment purchase. This opportunity truly helps us live our faith as a Catholic community of disciples of Jesus Christ, reaching out to Dolores Mission and OLG Schools as well, and providing them with enhanced learning opportunities. Further, the e-library will enhance community summer and after-school enrichment programs through the addition of science, coding, multi-media music and STEAM maker-space programming kits. Finally, we also raised important funds for 20 summer school scholarships so that students from Dolores Mission and OLG Schools can also benefit from the extraordinary summer school experience at Holy Family.

## HOLY FAMILY FAIR

This year's Holy Family Fair, "Back to the 80's," was a fun-filled weekend for parishioners, their families and friends. Rides, games, fabulous food and drink, Bingo and lots of football playing on TVs in the Beer Garden made for life-long memories! Coming together as a community of faith, all proceeds, including those from the Raffle, help support Holy Family's many ministries and outreach programs. We sincerely thank the 2018 Fair Chairs for their hard work and dedication to making this year's Fair one of the best ever!

# GRANT HIGHLIGHTS

## GARDEN & LANDSCAPE GRANT SUPPORT

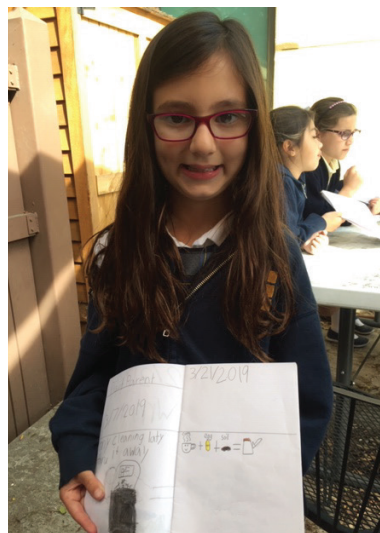

Over the past year, Holy Family School secured grants to improve our Outdoor Learning Center and Garden Program. The key benefits of the Holy Family School garden program are educational applications, nutrition and wellness, environmental awareness, community building and social connectedness. The expansion of our garden program has been funded by grants from Enrich LA, the Whole Kids Foundation, California Foundation for Agriculture and Water Education Foundation. Grants supporting school nutrition were provided by the Action for Healthy Kids and Fuel Up to Play Foundations.

Additional shade coverage for outdoor learning was funded by the American Academy of Dermatology Foundation. Nurse Jackie Ficht and the Holy Family School students created a winning skin safety video that achieved the \$10,000 first place prize in the American Academy of Dermatology competition.

An ongoing design grant from the Native Garden Foundation, including funding and a landscape design for Holy Family School and Parish, is currently being implemented in phases. The goal of the landscape

design is site-wide drought-tolerant landscaping connected to the curriculum.

A significant grant from The Raskob Foundation has been applied to landscape expansion related to service-learning and food production for the Holy Family Giving Bank. The grant from The Raskob Foundation has given Holy Family the tools to be a pilot school that will work with partners to design and implement a model Catholic Urban Farming Initiative to be replicated in schools and parishes throughout the Archdiocese. The initiative is a collaborative effort with the Archdiocese of Los Angeles and Catholic Relief Services to integrate cross-curricular urban farming lessons as a means of supporting service-learning in our Catholic Schools. In addition to providing hands-on opportunities to enhance the curriculum, the initiative provides surplus food production for our parish Giving Bank. As students learn more about growing food for those in need, they are connecting the growing process to food insecurity that exists in their own community and discovering they can make a difference. We look forward to watching the garden and landscape projects grow and flourish at Holy Family.

# CHURCH AND SCHOOL: WAYS TO SUPPORT

***“FOR WHERE YOUR TREASURE IS, THERE ALSO WILL YOUR HEART BE.” LUKE 12:34***

Giving happens all year long and is a deeply personal and a sincere expression of authentic discipleship. As disciples of Jesus Christ, we are called to a spirit of generosity to the extent that we are able. As grateful stewards, we realize that all we are and all we have are gifts...and with blessings come responsibility. We share a common belief that we should return to the Lord a generous portion of what God has given to us.

## VOLUNTEERING

God has blessed each of us with gifts and talents to make a unique contribution to the Church and School. Each of us has the privilege of getting involved and participating, rather than watching from the sidelines. Consider the gift of time to Holy Family, whether as a volunteer at hot lunch or in the classroom, a Eucharistic Minister, a member of the choir or a volunteer at the Giving Bank.

**School Contact:** Please call the school office at (626) 799-4354

## MATERIAL DONATIONS

Throughout the year, Holy Family Church and School sponsor special drives for specific ministries, requesting items such as food, clothing, toiletries, etc., and welcome your regular donations. We greatly appreciate these material donations which are quickly distributed to needy individuals and families. Thank you for your generosity.

For more information, please contact Marlene Moore, Director of Community Services at (626) 403-6141 or [marlenemoore@holymfamily.org](mailto:marlenemoore@holymfamily.org).

## FINANCIAL SUPPORT

Your financial support of Holy Family Church and School ensures that our mission to educate our youth and minister to the needs of our community are carried out with strength and consistency. Holy Family Church and School encourages regular annual giving through the Church's annual appeal on Discipleship Sunday and Holy Family School's Legacy of Learning campaign each fall. We are grateful for your support, financial or otherwise, and will gratefully receive your gifts in a variety of ways.

### ONLINE GIVING

Online Giving is the quickest and most convenient way to donate anytime, anywhere. Click the blue "Online Giving" button on the Church or School website and a donation page will appear that will guide you through the process. You can make a one-time gift or enroll in weekly or monthly automatic giving using your checking, savings, or credit

card account. All the information is secure and handled through Vanco, a secure donor-managed payment provider.

### BENEFITS OF AUTOMATIC AND ONLINE GIVING:

- Easy and convenient, no envelopes, no checks to write or lose
- Regular, consistent giving that is safe, secure and confidential
- No charge to donor
- Easy and instant changes to account or amount at any time

### CHURCH OFFERING ENVELOPES

Registered parishioners receive a packet of offering envelopes each month along with a communication about a parish ministry, program or activity. The use of offering envelopes is a "win-win" situation. It enables our staff to more effectively manage parish financial resources and offers you the benefit of an accurate record of your annual giving.

# CHURCH AND SCHOOL: WAYS TO SUPPORT

## MATCHING GIFTS AND VOLUNTEER INCENTIVE PROGRAMS

A “matching gift” is another “win-win” for Holy Family Church and School. Many businesses and organizations will “match” a gift made by an employee to a non-profit organization. In addition, many businesses have volunteer incentive programs for their employees. Volunteer incentive programs at many companies recognize employees’ contributions of time and talent to nonprofit organizations. Employees are eligible to apply for a grant on behalf of the qualified organization where they volunteer 50 hours or more during the year. We encourage you to check with your employer today to see if your contributions to Holy Family Church or School are eligible for your company to make a matching gift or if there is a volunteer incentive program.

## PLANNED AND ENDOWED GIVING

### PLANNED GIVING

Including Holy Family Church and School in your estate planning is one of the most meaningful ways you can support our community. All are welcome and encouraged to participate in making a long-lasting, vital commitment to the church, its buildings and multiple ministries. There are many opportunities to share your future financial resources with Holy Family Church or School while maintaining your lifestyle now, and lowering your tax-burden. You can give a gift of stocks, bonds or real estate; you can include Holy Family Church or School as a beneficiary in your will or trust, gift annuities, insurance policy, or IRA. Giving to the future of our parish and school assures that the vitality of Holy Family will continue long into the 21st century. For guidance about how to include Holy Family in your financial and estate planning, advice from your financial and legal advisors is essential. The leadership of Holy Family welcomes your inquiry and will be happy to assist you in creating a giving plan according to your wishes.

### HOLY FAMILY CHURCH ENDOWMENT FUNDS

Holy Family Church established two endowment trust funds in March 2001. The first one is the Parish Endowment Trust Fund and its purpose is “...solely to perpetuate, support, and uphold the work of Holy Family Parish, South Pasadena.” Through generous donations from the people and friends of Holy Family, we are able to support our many ministries. This fund will also enable Holy Family to care for and safeguard its historic church building.

The second fund is the Education Endowment Trust Fund. Its purpose is “...solely to perpetuate, support, and uphold the work of Holy Family School, the Religious Education Program and additional educational programs for children.” This fund will assure the continued education and religious formation of our children and teens.

By supporting one or both of these funds, you are ensuring that the legacy of our vibrant faith-filled parish will continue to be enjoyed by future generations.

### HOLY FAMILY LEGACY SOCIETY

Established in 2019 to honor Holy Family’s 110 years of service to our parish and community, the Holy Family Legacy Society recognizes supporters who have made significant, planned gifts to Holy Family Church or School within their estate plans, a selfless and generous gesture of love that will benefit ministries, students and those lives we serve, for generations to come. These gifts can be part of an estate, life insurance, retirement accounts, property or bequests. Members are recognized in the annual report of donors, invited to leadership events and thanked for their commitment to supporting Holy Family’s greatest needs for the future. For more information about how a gift to the Legacy Society can benefit your estate plan, please contact Mary Hatton, Director of Parish Stewardship at (626) 403-6138 or [mhatton@holysfamily.org](mailto:mhatton@holysfamily.org).

*“When I came to Holy Family 35 years ago, I was changed. You changed me. You called me to belong to the community of faith here, you called me to be available to you, to be present. That’s the meaning of Holy Family. It’s the “living Church”; you make it a living Church by the manner in which you share your gifts responsibly, and in the stewardship of those gifts. You define our future. The future of Holy Family belongs to you, and to me. We are the future!” - Monsignor Clement Connolly, Pastor Emeritus*
