

2022-2023 ANNUAL REPORT

Serving in Love

HOLY FAMILY
CHURCH AND SCHOOL

A MESSAGE FROM OUR PASTOR

Dear Parishioners,

We have been blessed this past year by the generous sharing of your time, talent, and treasure that now we can offer God a bountiful harvest. Your faith and trust were the fertile ground that received the seeds that the Lord scattered at Holy Family. Thank you and together let us thank God for the wonderful work that He has done among our family of faith.

A year ago, about this time we began planning our Faith in Our Future Campaign. We needed to raise \$8 million. In less than a year and with your generous response, we exceeded our goal and now we are looking forward to starting the first phase of construction, the school's basement remodel, in less than a year. Blessed be God for He has been good to us and thank you for your generous support of the campaign. It was a big leap of faith for me to undertake this effort since I had been here just a little over a year. I recognize it was also a big leap of faith for you too, to trust me with this project. Together with the help of God we did it!

We raised the \$8 million for the campaign while growing our ministries and ending the year financially better than the previous year although with a small deficit. We all witnessed the increased Sunday Mass attendance, but most noticeably at the weekday Masses; people having to wait in line to receive the Sacrament of Reconciliation, Stations of the Cross during Lent, and many other signs of spiritual growth.

We have been publishing in the bulletin specific details of how our dedicated staff and volunteers grew our outreach to the needy, provided formation opportunities and kept up with the maintenance of our physical plant. All of this could not have been done without you.

Everything was going well until June 24th when I got a phone call from the Nuncio informing me that Pope Francis has chosen me to be the Auxiliary Bishop of the San Fernando region. I am honored to have been chosen, but I am saddened that I have to say goodbye so soon. However, I leave thankful for the opportunity to know you, serve you and minister with you. I am confident that with the leadership of the new pastor, you will continue to grow as a community of authentic missionary disciples. Know that you will always be in my prayers and please keep me in yours.

In Christ,
+ Albert Bahhuth

A MESSAGE FROM OUR PRINCIPAL

Dear Holy Family Community:

It is with great pride that I share with you the remarkable accomplishments achieved by our students, faculty, and community as we strive to educate students to achieve academic excellence while becoming disciples of Jesus Christ, and leading lives of faith, community, and service.

FAITH

Our commitment to nurturing a strong foundation in faith has led us to align our Masses with Catholic Feast Days and celebrations, fostering a deeper connection to our faith. Our new Religion curriculum integration has allowed us to explore our faith in new ways. The retreats for our faculty and staff, along with the inclusion of professional speakers in a few of the Class Retreats, have enriched our spiritual growth. Collaboration with ADLA for Catechetical Certification reflects our dedication to enhancing faith-based education.

SERVICE

We've seen the spirit of service growing through numerous activities. Our partnership with the Giving Bank through Student Council drives has exemplified our commitment to local communities. Altar Server training and initiatives like the return of donating Easter baskets for Union Station showcase our dedication to service. Professional development for faculty focusing on research-based Service Learning pedagogy has helped guide our students in embodying the Catholic Social Teachings. The integration of service into the curriculum, combined with an understanding of local needs, has empowered us to foster a culture of service and empathy.

EXCELLENCE

We continuously strive for excellence. Our efforts to enrich education are evident through initiatives like the return of small group work in the classroom, Safety Committee meetings, and the expansion of after-school activities. The establishment of HFS Learning Principles has

solidified our commitment to effective education. Grounds improvements, additional books in the library, and the implementation of a new Formal Observation Procedure exemplify our pursuit of excellence.

COMMUNITY

Our sense of community has been supported through various avenues. Reinstating Buddy Faith Families has created a strong bond among our students. The involvement of the School Board in the Strategic Action Plan reflects our commitment to collaborative decision-making. Events like the Talent Show, the opening of the HFS Spirit Store, and the addition of a new website and increased social media presence have connected us more deeply. Our efforts to foster relationships with local fire and police departments demonstrate our dedication to community partnership.

As we look back on this year's achievements, I am filled with gratitude for the unwavering support of our parents, guardians, and the entire Holy Family community. Your dedication has made all of these accomplishments possible, and your belief in our mission has inspired us to reach greater heights.

A heartfelt thank you for your continued trust and support. I am excited to embark on another year of growth, learning, and collaboration.

Blessings,

Jennifer Garzia
HFS Principal

2022-2023 FINANCIAL INFORMATION: CHURCH

FINANCIAL INFORMATION CHURCH

The dim economic environment of fiscal year 2022 to 2023 negatively impacted our collections and donations, resulting in a loss in total revenue of \$69,000. We are grateful that the loss was minimized by the continued generosity of our dedicated donors.

As part of our plan to save our resources, we embarked on cost-cutting measures that included using these resources in the most efficient way possible. We also scaled back our capital expenditures as needed. The resulting decrease in expenses of \$72,000 helped our bottom line to narrowly come up with a gain over last year of \$3,000.

HOLY FAMILY'S HELPING HANDS

We continue to extend a helping hand to those beyond our parish boundaries. Together in Mission, which helps many financially disadvantaged churches and schools in the Archdiocese stay open, is still going strong, and is especially needed at this time of continuing challenges. Mission Haiti is especially in need of our support now as gang violence racks the country. Thankfully, fiscal year 2022-2023 was blessed with a collection of \$356,000, all of which will sustain our Haitian brothers and sisters as they struggle to cope with daily living.

FAITH IN OUR FUTURE CAMPAIGN

While we are extremely grateful to everyone who has helped Holy Family stay a vibrant community, we also wish to thank all those who made our Faith in Our Future capital campaign a success. Through your generosity, we have exceeded our \$8M goal by \$178,000! We look forward to the day when we can start work on the Church and Education Center improvements.

LEGACY OF LEARNING

A special thank you to our Legacy of Learning supporters. Holy Family Catholic School has served the parish community for over 85 years. During the 2022-23 school year, the Legacy of Learning annual fundraising campaign raised over \$100,000 for Holy Family School. This vital parish ministry nurtures our students in Catholic values and embraces them with a sense of belonging to a strong community.

FAITH IN OUR FUTURE

First and foremost, we would like to express our heartfelt gratitude to the nearly 400 families who made sacrificial pledges and generous gifts to The Faith in Our Future campaign. With your support, we have exceeded our \$8M goal to seismically retrofit the Church building and upgrade the Education Center. As part of the Archdiocese of Los Angeles, Holy Family also participated in Called to Renew, dedicating \$835,000 to support the historic diocesan campaign.

Holy Family's Faith in Our Future campaign is the first capital campaign fundraising effort in over 20 years. Holy Family embarked on this campaign to help fund structural improvements to the church building and upgrades to the Education Center. The construction will take place over the next 3 years and we are happy to share updated drawings. We will continue to keep you updated as the projects progress.

- **Church:** seismic retrofitting, roof improvement, internal improvements
- **Education Center:** first floor expansion, modernizing library, upgrading science labs, façade upgrades

Thank you to all the campaign volunteers who have worked with parish and school leadership to build the vision for the campaign, shared the plans with our community, and invited families to join the success of Faith in Our Future.

OUR PLANS: THE CHURCH

CHURCH RETROFITTING

Just as those who came before us had faith in the future of Holy Family, we have faith that our parish will continue to serve as a spiritual home in South Pasadena for generations to come. Retrofitting is necessary to ensure physical stability and longevity for our church. We seek to uphold the beauty of Holy Family and ensure that our place of gathering and worship will always be a safe place for our people.

- **Seismic Retrofitting** – ensuring that our building is updated to the proper safety standards, making the church less prone to structural damage during an earthquake. We hope to protect our people from harm.
- **Securing our Church Roof** – the original roof serves as a reminder of our history, and we plan to secure it to provide the utmost safety for our parishioners. Additionally, the gutter system and water intrusion facilitation process will be improved.

As one of the oldest buildings on site, modifications to our church will be primarily aimed at increasing safety, ensuring that Holy Family will remain strong for the future.

OUR PLANS: THE EDUCATION CENTER

EDUCATION CENTER IMPROVEMENTS

We recognize that learning is far more than academics; rather, it encompasses spiritual, social, emotional and physical development. Our approach to teaching goes beyond that of textbooks, and our facilities must match our desire for excellence. This campaign will address our children's needs, instilling a lifelong love for Christ. We plan to improve our students' educational experiences. As technology evolves, so does our data-driven teaching methodology. Modernizing our education center allows us to target areas of improvement and develop students' gifts, allowing them to flourish.

THE FAITH IN OUR FUTURE CAMPAIGN WILL ADDRESS THE FOLLOWING SCHOOL NEEDS:

- **Innovation Space** – our science labs are going to be transformed into a flexible space that is better equipped for our new science curriculum. Students from Transitional Kindergarten–8th grade will be learning STEM-based methodologies and even conducting experiments in the realm of robotics and programming. The Innovation Space is designed to bring science and math from the textbooks to real life, creating an exciting learning atmosphere for our students.
- **Library** – the new library will be a space focused on fostering a love of learning with new books and areas that encourage collaboration, community, innovation and reading. Nooks, furniture, and specialized seating will inspire students to curl up with a book. Along the sides we will be adding alcoves for small group instruction, one-on-one support and collaboration. This space can also be used to host guest authors. The whole library will have a more open feeling with added windows and natural light.
- **Broadcast Area** - there will also be a space within the library focused on technology, where we will be adding a green screen and small recording studio to eventually allow for a school-based student news broadcast.
- **School Entryway** – we plan on making our Education Center entrance more visually appealing and welcoming. As the first impression of our Education Center, the new entrance will be more prominent and beautified.
- **Wellness Space** – a new Spanish courtyard will be constructed as a space that inspires tranquility, prayer and reflection. Students will be able to study, have lunch and enjoy this new wellness area.
- **Faculty Offices** – our current facility poses challenges for our staff, who lack office space. New areas designated specifically for our counselor, athletic director, communications director, and nurse are a vital part of the campaign plans, enhancing collaboration.

HOLY FAMILY CONNOLLY CLASSIC GOLF TOURNAMENT

What a perfect day to gather for the 7th Annual Holy Family Connolly Golf Classic in support of the Holy Family School Scholarship Program. Holy Family, once again, came together as a community for a good cause. The tournament benefits the Holy Family Scholarship Fund and this year we doubled our proceeds thanks to a tremendously generous anonymous matching gift.

The successful tournament was made possible thanks to our many generous sponsors and fantastic committee. Kevin Danni chaired another successful event and we are most grateful to all our sponsors, players and volunteers for coming out!

Thank you for your support of this special day and we look forward to seeing you next year!

FALL FESTIVAL

In October 2022, we welcomed back our Fall Festival and what a special weekend it was for parishioners, their families and friends. Coming together as a community of faith, all proceeds, including those from the Raffle, help support Holy Family's many ministries and outreach programs. We sincerely thank the 2022 Fall Festival Chairs for their hard work and creativity. They worked as an incredible team to bring the Fall Festival back to our community and make it a fun gathering for all.

AUCTION: AN EVENING OF GLAMOUR & GOLD

The Holy Family Auction is back in full swing! The 2023 evening of Glamour and Gold Auction was a stunning event with dinner, music and dancing under the stars. Our Holy Family parking lot was transformed into a glamorous venue for all to enjoy!

The Auction is a beloved annual tradition and fun way to raise funds to support all of our ministries at Holy Family. This year was no exception with our community coming together for fun and fundraising. After an unforgettable Live Auction, Holy Family showed, once again, that it knows how to have a good time! Additionally, with a successful Paddle Raise our parish is grateful for the opportunity to implement a community theater program and make theatrical improvements in Connolly Hall.

We thank our Auction Chair's creative vision and many months of planning to prepare an unbelievable night of memories and camaraderie. We can't wait to see everyone at the next Auction.

THANK YOU TO OUR CHAIRS AND PATRONS!

CHURCH AND SCHOOL: WAYS TO SUPPORT

“FOR WHERE YOUR TREASURE IS, THERE ALSO WILL YOUR HEART BE.” LUKE 12:34

Giving happens all year long and is a deeply personal and a sincere expression of authentic discipleship. As disciples of Jesus Christ, we are called to a spirit of generosity to the extent that we are able. As grateful stewards, we realize that all we are and all we have are gifts . . . and with blessings come responsibility. We share a common belief that we should return to the Lord a generous portion of what God has given to us.

VOLUNTEERING

God has blessed each of us with gifts and talents to make a unique contribution to the Church and School. Each of us has the privilege of getting involved and participating, rather than watching from the sidelines. Consider the gift of time to Holy Family, whether as a volunteer at hot lunch or in the classroom, a Eucharistic Minister, a member of the choir or a volunteer at the Giving Bank.

Church Contact: Mary Schimmoller, mschimmoller@holyfamily.org

School Contact: Please call the school office at (626) 799-4354

MATERIAL DONATIONS

Throughout the year, Holy Family Church and School sponsor special drives for specific ministries, requesting items such as food, clothing, toiletries, etc., and welcome your regular donations. We greatly appreciate these material donations which are quickly distributed to needy individuals and families. Thank you for your generosity.

For more information, please contact Marlene Moore, Director of Community Services at (626) 403-6141 or marlenemoore@holyfamily.org.

FINANCIAL SUPPORT

Your financial support of Holy Family Church and School ensures that our mission to educate our youth and minister to the needs of our community are carried out with strength and consistency. Holy Family Church and School encourages regular annual giving through the Church’s annual appeal on Discipleship Sunday and Holy Family School’s Legacy of Learning campaign each fall. We are grateful for your support, financial or otherwise, and will gratefully receive your gifts in a variety of ways.

ONLINE GIVING

Online Giving is the quickest and most convenient way to donate anytime, anywhere. Click the blue “Online Giving” button on the Church or School website and a donation page will appear that will guide you through the process. You can make a one-time gift or enroll in weekly or monthly automatic giving using your checking, savings, or credit

card account. All the information is secure and handled through Vanco, a secure donor-managed payment provider.

BENEFITS OF AUTOMATIC AND ONLINE GIVING:

- Easy and convenient, no envelopes, no checks to write or lose
- Regular, consistent giving that is safe, secure and confidential
- No charge to donor
- Easy and instant changes to account or amount at any time

CHURCH OFFERING ENVELOPES

Registered parishioners receive a packet of offering envelopes each month along with a communication about a parish ministry, program or activity. The use of offering envelopes is a “win-win” situation. It enables our staff to more effectively manage parish financial resources and offers you the benefit of an accurate record of your annual giving.

CHURCH AND SCHOOL: WAYS TO SUPPORT

MATCHING GIFTS AND VOLUNTEER INCENTIVE PROGRAMS

A “matching gift” is another “win-win” for Holy Family Church and School. Many businesses and organizations will “match” a gift made by an employee to a non-profit organization. In addition, many businesses have volunteer incentive programs for their employees. Volunteer incentive programs at many companies recognize employees’ contributions of time and talent to nonprofit organizations. Employees are eligible to apply for a grant on behalf of the qualified organization where they volunteer 50 hours or more during the year. We encourage you to check with your employer today to see if your contributions to Holy Family Church or School are eligible for your company to make a matching gift or if there is a volunteer incentive program.

PLANNED AND ENDOWED GIVING

PLANNED GIVING

Including Holy Family Church and School in your estate planning is one of the most meaningful ways you can support our community. All are welcome and encouraged to participate in making a long-lasting, vital commitment to the church, its buildings and multiple ministries. There are many opportunities to share your future financial resources with Holy Family Church or School while maintaining your lifestyle now, and lowering your tax-burden. You can give a gift of stocks, bonds or real estate; you can include Holy Family Church or School as a beneficiary in your will or trust, gift annuities, insurance policy, or IRA. Giving to the future of our parish and school assures that the vitality of Holy Family will continue long into the 21st century. For guidance about how to include Holy Family in your financial and estate planning, advice from your financial and legal advisors is essential. The leadership of Holy Family welcomes your inquiry and will be happy to assist you in creating a giving plan according to your wishes.

HOLY FAMILY CHURCH ENDOWMENT FUNDS

Holy Family Church established two endowment trust funds in March 2001. The first one is the Parish Endowment Trust Fund and its purpose is “...solely to perpetuate, support, and uphold the work of Holy Family Parish, South Pasadena.” Through generous donations from the people and friends of Holy Family, we are able to support our many ministries. This fund will also enable Holy Family to care for and safeguard its historic church building.

The second fund is the Education Endowment Trust Fund. Its purpose is “...solely to perpetuate, support, and uphold the work of Holy Family School, the Religious Education Program and additional educational programs for children.” This fund will assure the continued education and religious formation of our children and teens.

By supporting one or both of these funds, you are ensuring that the legacy of our vibrant faith-filled parish will continue to be enjoyed by future generations.

HOLY FAMILY LEGACY SOCIETY

Established in 2019 to honor Holy Family’s 110 years of service to our parish and community, the Holy Family Legacy Society recognizes supporters who have made significant, planned gifts to Holy Family Church or School within their estate plans, a selfless and generous gesture of love that will benefit ministries, students and those lives we serve, for generations to come. These gifts can be part of an estate, life insurance, retirement accounts, property or bequests. Members are recognized in the annual report of donors, invited to leadership events and thanked for their commitment to supporting Holy Family’s greatest needs for the future.

For more information about giving to Holy Family School, please contact:
Shannon Porter, Director of Stewardship and Advancement • 626-403-6130 or Sporter@holyfamily.org
